

# Pipe Tong

Model 125G

## OVERVIEW

Pipe Tongs are built tough to withstand the abusive conditions encountered in pipeline construction. Pipeliners have chosen the automatic release tongs for lifting pipe since the 1930's.

## FEATURES AND BENEFITS

- Available in sizes 2" - 36"
- Built tough to withstand abuse
- Replaceable grip pads for a positive engagement with the pipe
- Automatically releases when lift line is slacked off
- 1 year warranty
