

Universal 55-Gallon Spill Kit #SPKU-55 - Absorbs up to 51.9 Gallons

Be prepared for fast response with a SpillTech® Universal Spill Kit!

- **Quick Response is Key:** Spills happen no matter how hard you try to avoid them. Forklifts knock over drums, tanks are punctured and transporters leak and drip. It's important to have the right sorbents on-hand when these spills occur to eliminate the slip-and-fall hazard immediately. A quick response is the first order of business — and your best weapon — in the fight against spills. SpillTech® Spill Kits are packed with quality SpillTech® Products to help you clean up fast and comply with regulations.
- **The Sorbents You Need Are All Inside:** This Universal kit includes a variety of sorbents to handle spills of oils, coolants, solvents or water; pre-packed in an X-rated DOT-approved 55-Gallon Open Head Drum with Lever Lock. Self-contained Kit stores sorbent products for easy access as needed for spill control; saves time when quick response is necessary. Lever Lock Poly Ring ensures sealed and secure closure to protect sorbents from moisture, dirt and damage. Rust- and corrosion-free 100% polyethylene is durable to withstand rough handling.
- **Customized for You!** Don't see what you're looking for? We can customize a Spill Kit to your exact specifications, including the container, its contents and accessories, all with no upcharge! Contact your local Distributor for details.
